Tablet Landscape - About page

A hand-drawn sketch of a mobile app 'About' page layout. The page is enclosed in a rectangular border. In the top right corner, there are three horizontal lines representing a hamburger menu. Below the menu, the text 'About me' is written in a simple, handwritten font. Underneath the title is a large rectangular area containing ten horizontal lines for text input. Below this text area, the word 'SKILLS' is written. Under 'SKILLS', there are two identical square icons, each with an 'X' inside, representing profile pictures. To the right of each square icon are four horizontal lines for text input, representing skill descriptions.

Submit

A hand-drawn sketch of a mobile application interface in landscape orientation. The sketch is enclosed in a rectangular border. In the top-left corner, the word "Contact" is written. In the top-right corner, there are three horizontal lines representing a menu. The main content area contains a form with three input fields: two short horizontal bars at the top and one larger rectangular box below them. A "Submit" button is located at the bottom right of the form area.
